SEVENTH OLD TIME RANCH TOUR FROM NORTH AS FAR AS SHEEP CREEK PARK. Sunday, July 21st., 1957.

This Tour is sponsored by the Albany County Historical Society, the University of Wyoming Summer School, the Kiwanis Club and the Wyoming Westerners. The tour has been arranged by Dr. Robert H. Burns, A. S. Gillespie, H. A. Peterson and Wesley Seamens.

Bring your CAR, your FAMILY, FRIENDS, LUNCH, some water or other liquid and be at the COURT HOUSE SQUARE IN LARAMIE AT 7:00 a.m. Sunday, July 21st., 1957.

Today we will see some of the early ranching areas in the northern portion of Albany County, the Wyoming State Fish Hatchery on Rock Creek, just opposite Como Ridge. Touring speed of Caravan is fixed at 45 miles per hour on Highway 30, forty miles per hour on the Marshall Road, 15-20 miles per hour on the intermediate road we travel between the Marshall Road and the Fetterman Road, after entering upon the Fort Fetterman Road the speed must be resumed to forty miles per hour in order for the Caravan to return to Laramie between 4:30 and 5:00. Follow your leader and drive in a safety range from the car ahead. Dust should not be much of a problem.

The ranchmen on this route welcome this Tour. In appreciation of the hospitality of these people we meet on this Tour, LET ALL OF US TAKE EVERY PRECAUTION AGAINST FIRE SO THAT WE WILL NOT LEAVE ANY SMOKE BEHIND US, only dust. So please do not throw any matches or cigarett stubs out on the ground. In getting permission to cross these people's land and getting the privilege of making a stop for lunch, a promise was made to them all precautions would be taken.
